# EVC WORKSHOP

## Technology Novation and Artificial Intelligence Application in Vascular Surgery

23<sup>rd</sup> – 24<sup>th</sup> Feb, 2023

Princess Fatma Academy

# Welcome Message

On behalf of the E.V.C New Vision, I am honored and delighted to invite you to share and participate in the 2<sup>nd</sup> E.V.C New Vision conference, which will be held in Princess Fatma Academy from 23<sup>rd</sup>- 24<sup>th</sup> Feb 2023.

The program has already shaped up to be excellent and the networking opportunity will be in deed outstanding.

The 2<sup>nd</sup> E.V.C New vision is a specially designed cluster workshop with a theme accelerating Innovations of endovascular and vascular surgery managements.

I add my best wishes for a successful and fruitful workshop and my thanks to all organizers.

We are looking forward to an excellent meeting with great scientists from different countries around the world and sharing new and exciting results in our vascular field.

I'm pretty sure – this workshop will be stimulating and productive. Personally, I hope that you will very much enjoy it and benefit. Do not miss out or taking part
