All You Should Know About Wound**

Under Patronage of
vascular society of egypt (VSE)

29th | February, 2024

2nd | March, 2024

 Tolip El Forsan Hotel, Ismailia

Welcome Message

Dear Vascular Community;

Almost 20 years now since the first beginning of the Egyptian Vascular Club as a part of the Vascular Society of Egypt concentrating on young vascular fellows preparing them as they are the future stars in Vascular Surgery.

Just few years ago, we revived the club by a new vision serving these rising stars in many aspects. We started by the continuous medical education through direct exposure to the experts by hands on training sessions in the cadaver lab. and direct face to face interactive discussions, case scenarios presentations and problem solving questions. So; we achieved this for Carotid Endarterectomy and Abdominal Aortic Surgery Workshops. Now; running on the same track, and on behalf of the whole board of the EVC , I announce the EVC Congress in the New Vision Era that will concentrate on the Bench Marks in Management of all types and categories of Wound Care all aspects of this topic in state of the art lectures, review articles, researches, flash presentations, case scenarios and poster presentations. Hands on interactive sessions at the wound village will carry a lot of interest and enthusiasm

Waiting for you all, in Tolip El Forsan Hotel, Ismailia

On Feb. 29th - March 02nd, 2024

and I expect a very successful event by your active participation.
