Neurosurgery Department Menoufia

19th | 20th

OCTOBER 2023

Tolip Golden Plaza Hotel
Cairo - Egypt

ORGANIZED BY

WELCOME MESSAGE

Dear Colleagues,

I am delighted and honored to invite you to join us at the 2nd Menoufia Neurosurgical Congress (MNF neurocon), which will take place on October 19th and 20th 2023. This congress will be hosted by the Neurosurgery Department of Menoufia University at the Grand Plaza Hotel, Cairo, Egypt. A pre congress workshops will be held at the Neurosurgical department Menoufia university on the 18th October. Our congress will be organized in collaboration with the Egyptian Society of Neurological Surgeons and the Neurological surgeons' society of India. Our vision in the department is to provide continuous medical education to young neurosurgeons as well as to offer high-quality care to our patients with various neurosurgical conditions. Therefore, we initiated our MNF Neuro Congress last year to share our knowledge and experience with all young neurosurgeons either inside and outside Egypt. Our congress becomes one of the largest gatherings of experts in the field of Neuroscience in Egypt since last year congress. A great number of International and national neurosurgeons as well as trainees will participate in this year congress as well.

I am confident that there will be many fruitful collaborations and exchanges among all attendees. We will do our utmost to make this event an unforgettable one both scientifically and socially.

Sincerely,

Congress President

Prof. Dr. Hossam Elnoamany
