Welcome Message

The Department of Dermatology, Andrology, sexual medicine and STDs of the faculty of medicine Helwan University is glad to announce the 1st Annual Scientific Meeting. The meeting is scheduled to be held on June 6th 2024, in Triumph Luxury hotel, 5th settlement, Cairo, Egypt

Throughout our short journey, we have overcome the challenges that have crossed our paths, establishing the department from scratch since 2016.

The aim of 2024 meeting is to provide a forum of the highest standard for scientific (clinical & experimental), educational and social exchange between our faculty members and all the colleagues in the field; in order to achieve progress in the clinical care of patients and better medical education to the junior doctors .

HD 2024 promises for this yearly planned meeting to be the cornerstone and foundation for an international scientific meeting place, and to be the core of dermatology studies.

We look forward to seeing you in June 2024
