PRACTICE: TIPS, TRICKS & PITFALLS**

Welcome Message

Dear Fellows & Colleagues, Dermato-Venereology & Aesthetic Dermatology Consultants, Specialists & Residents, Welcome to Al-Marsoud Derma 64th Conference.

It's our pleasure to welcome you all to our annual congress of Al-Haud Al-Marsoud hospital which was established in 1903 and the dermatological practice has much evolved since then.

Nowadays, Dermatological practice is facing many challenges with a rapid pace of change requiring continuous knowledge of the most recent diagnostic & therapeutic techniques to keep updated.

That's why we prepared a very rich Al-Marsoud Derma 64th scientific program presenting the best of our practice in 100+ sessions program over 2 days:

Pre-Congress Hands-on Workshops on August 23rd at Al-Haud Al-Marsoud Hospital & Congress on August 30th at Conrad Nile Corniche Hotel, showcasing the different practical aspects of the current UpToDate dermatological practice discussing different aspects of our everyday practice. Every session will be focusing on the practical aspect of the subspeciality field addressed by the session presented by our experienced staff members and our invited esteemed international and national faculty.

We are sure that you will be enjoying a fruitful & enjoyable experience.
